The original "Pipeline Group" since 1992

Dear Ms. Wood:

It is time again for our **Public Education - Contractor Awareness Program** in **Albuquerque, New Mexico**. The pipeline operators listed below cordially invite you and your **equipment operators** to a complimentary breakfast and brief safety program on damage prevention related to excavation activities. This annual informal event will begin with a **free breakfast at 7:30 a.m.** on **Thursday, September 9, 2010** at the **Sandia Courtyard Hotel & Convention Center**, 10300 Hotel Avenue NE in **Albuquerque, New Mexico**. The breakfast and program last about an hour and a half.

This event is a continuing educational program to assist you in avoiding significant financial losses and injuries or loss of life as a result of damage to underground pipelines. The information provided will include:

- An introduction to pipelines and the pipeline industry.
- State and federal laws governing excavation activities.
- Indicators of a pipeline release.
- How to recognize a gas and/or hazardous liquid pipeline emergency.
- First actions to follow if involved with a pipeline failure.

This invitation is being sent to all county and city government officials and excavators in Bernalillo, Sandoval, Socorro, and Valencia counties.

If you are truly interested in the safety of your employees and your community you will e-mail us at www.pipelinegroup.com/rsvp.php or call The Pipeline Group toll free at **1-877-687-0901** by **Wednesday, September 1, 2010**, and let us know how many people from your organization will be attending. Representatives from the companies listed below will be there to meet you and answer any questions you have about their underground facilities.
