The banner features a portrait of U.S. Congressman Steve Pearce on the left. The background shows a scenic view of a river and mountains under a blue sky with clouds. On the right, there is a stylized blue logo of the Associated Contractors of New Mexico (ACNM) with a sun and mountains inside a circle.

**maintains close contact with the campaigns of both of the major party candidates for the Office of Governor of New Mexico. Because we believe that the work our members perform with respect to construction and maintenance of our states public infrastructure is vital (roads, bridges, airports, water/sewer systems, etc.), it is imperative that we continue to deliver the message to both candidates regarding the critical role ACNM members play in providing safe, modern and efficient infrastructure to our state, and the long-term benefit to New Mexico in terms of safety, job creation, and statewide economic opportunities.**

**With this in mind, ACNM has been working closely with representatives from each campaign to invite the respective candidates to meet with our membership, and to hear first hand the contributions our member firms are making with regard to New Mexico's economic vitality, and the importance of a long-term commitment to invest in improvements to New Mexico's public infrastructure.**

**We have scheduled a fundraising event with Representative Stevan Pearce, the Republican candidate for Governor, for Tuesday, September 18 from 6:00 to 7:30pm at the Albuquerque Country Club. Congressman Pearce will be available to share his vision for New Mexico with our members, including his job creation initiatives and plans to elevate New Mexico's economic position, both in the region and nationally. He will also answer questions and take comments from ACNM members regarding the affect the current economic climate has on their businesses and employees. We hope you will plan to join us for this fundraising event for Congressman Pearce, and to share with him any comments or concerns you may have.**

**Please RSVP to [mbeck@aconm.org](mailto:mbeck@aconm.org) if you plan to attend.**
