Upcoming Tax Changes

Monday, December 17th 11:30 am

Are you ready for the upcoming changes in the Tax Cuts and Jobs Act? Get an update on the new tax law passed in 2017, significant changes for contractors and businesses that are passthrough entities (partnerships, S corporations, sole proprietors), depreciation opportunities, and changes for individual tax returns. This presentation is updated from the one presented earlier this year as guidance in key areas has now been provided by the IRS.

A screenshot of a podcast player interface. On the left is the podcast cover art for "ConstructorCast - The State of Worker Shortages" by AGC of America. The main area shows a waveform and a progress bar. Below the player are buttons for "Like", "Repost", "Share", and "More". The number "176" is visible in the bottom right corner of the player area. The text "16 days ago" and "# News & Politics" are also present.
